RPR Trades turns 6

The Team at RPR Trades are delighted to celebrate 6 years of providing *specialised Recruitment, optimised Performance and mitigated Risk*. It's fair to say that life has been fairly tumultuous for most over the last 2 years, which makes us even more grateful for milestones such as these. We are incredibly thankful to our loyal Clients, On-Hire Employees, Candidates and Suppliers for your ongoing support and commitment, particularly through turbulent times. Sincere thanks of course to our amazing staff for your resilience, sheer hard work and outstanding results in honouring The RPR Way – you truly make the business what it is.

As is customary on our birthday we would like to shine a light on a special cause. [Beyond Blue](#) have been a saviour for many in providing “*information and support to help everyone in Australia achieve their best possible mental health, whatever their age or wherever they live*”. RPR Trades is proud to offer \$300 from every permanent placement made in December 2021 towards the important work done by this outstanding organisation.
