QLD – From Monday 13 December 2021, border restrictions have eased for people travelling to Queensland from a **hotspot**, the **border zone** and **overseas**.

NSW – Reduced COVID-19 restrictions are in place in NSW from **15 December 2021**.

Some rules have changed, including

Some premises may make it a condition of entry that you are fully vaccinated or wear a face mask.

NSW Health strongly advises people get fully vaccinated and wear a face mask where they cannot socially distance.

VIC – There are no limits to the number of people you can gather with in your home or in public places (e.g. a park or a beach).

We strongly recommend that everyone who you are gathering with at your home or in a public place is fully vaccinated.

Summer Construction Blitz Planned for Melbourne

More than ten thousand construction workers will work to transform road and rail infrastructure across Victoria as part of a summer building blitz.

There will be major works on 10 rail lines, seven tram routes and four critical roads including the West Gate Bridge, West Gate Freeway, Monash Freeway and M80 Ring Road.

Another four level crossings will be removed with a total of 58 level crossings to be removed by the end of summer and three new stations opened to the public.

Two level crossings will be removed at Old Geelong Road, Hoppers Crossing and Ferguson Street, Williamstown with the new North Williamstown Station opening in December, while another two – Greens Road, Cranbourne and Clyde Road, Berwick – will be removed during summer. A new Merinda Park Station will open to passengers in early 2022.
